## As a Man's Common-Sense Dictates!

As a man's common-sense dictates so should he act. When he sees a shop where he can purchase reliable, well-made Clothes for reasonable prices, there is the place his common-sense tells him to buy.

Right here, pin this to your memory: It's possible to sell Clothes—good Clothes for figures under what the average storekeeper charges, and still make a fair profit. We make this statement because we've tried it and proven it to be so; and, what's more, we carry out the principle today in our store of selling quality goods at lower prices than charged most anywhere else outside the big cities.

If the quality, price and modernness of style cut any figure in your Clothes reckoning, there's an intelligent clerk waiting here to serve you. Plenty of Summer Suits here to please the most discriminating.

Extra Trousers are something almost imperative to a man taking a vacation, and a quite important part of any man's wardrobe. We have some excellent \$3.50 and \$4.00 values at \$2.98.

You'll need a Belt or pair of Suspenders to go with the new Trousers. Better get it when you get the Trousers, for it's vexing to get them on and discover that you haven't a suitable Belt or Suspenders to hold them up with.

Most men like to put on light Underwear by the 4th of July, if not before. Those in the habit of paying 50c for good quality balbriggan garments can get them here for 39c, or the 75c grade for 49c. Some desire the "Porosknit" or the "B. V. D." brands. We carry them.

Negligee Shirts, soft roll collar, in pretty, substantial designs, we're selling for 49c—Cost 75c at most places. Then there are some better ones at 98c—actually worth a \$1.25 to \$1.50.

We are showing some of the very highest values in Four-in-hand Neckties at 49c. Some in the popular browns, plaids, etc. Others at 23c that are worth much more. Come in a variety of fetching colors.

For a man who doesn't like to fuss tying a Four-in-hand we've a little bargain this week: Regular 25c small Bow Ties, in colors, for 9c. Come in and get three or four.

Men's, Boys', Ladies' and Misses' Shoes and Oxfords you'll find here in the Summer styles, black and tan leathers. Prices are down to dollar-saving figures.

A Suit Case is pretty nearly indispensable to a man going on a vacation, be the trip long or short. We have them at 95c—the regular \$1.25 kind. Better ones at \$2.49, worth \$3.25. Still better ones, made of leather, good enough for anybody, \$3.93. Same thing elsewhere, \$5.00.

By buying here you save money on nearly every purchase. Join the already long line of satisfied customers—and buy here.

There's an adverb in today's paper taking up a full column of space on page 5, and it is strikingly interesting. It's title is "As a Man's Common-Sense Dictates." You'll find it out of the ordinary run of clothes talk, containing some mighty convincing facts.

A. Giachino at the Vermont Fruit Store has a lot of first class fire-works, and as the time is very short this year for the sale of them, we have decided to mark the prices as low as possible. Don't forget to call and get some July 3d at 4 p. m.

Entire change of pictures today at the Bijou theatre (formerly called Mas-succo's). There's one "In the Time," that will take the eye of the audience, if we are not mistaken. It's chock full of human interest—the kind that makes you sympathize with the characters in the picture.

The annual picnic of the Church of the Good Shepherd was held yesterday at Dorney park. There were over 100 people present and the day was passed very pleasantly with games and sports by the young people. The arrangements were in charge of the Rev. W. J. M. Beattie.

The golf course and grounds will be open to visitors. Beginning in the morning at 10 o'clock, there will be a base ball game between teams composed of Morison Farm employees and of the guests there. Honors will be eagerly sought and the contest promises to be a hot one. At three o'clock there will be a flag-raising, when "Old Glory" will be flung to the breeze from a 50-foot flag pole. This will be attended by appropriate exercises that the day and its significance may be fittingly marked. In the evening there will be an illumination of the grounds, followed by a display of fireworks.
